

🐾 CHIBI KITTY AND RABBIT 🐾

Materials:

- 1 - 9 1/2" x 5 1/2" solid fabric
- 1 - 9 1/2" x 2 1/2" printed fabric
- felt scraps, embroidery floss, buttons

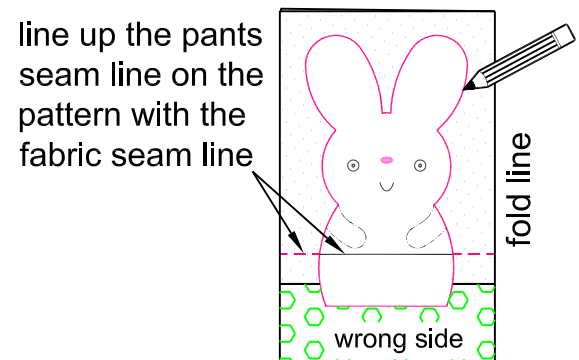

Step 1:

Sew the two pieces of fabric, right sides together, along the length of the fabric.

Step 2:

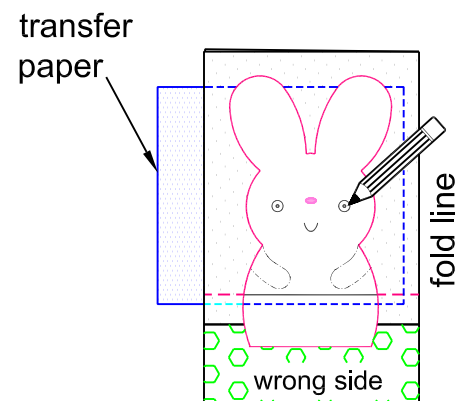

Fold the fabric in half with the right sides together and trace the pattern piece onto the fabric making sure to line up the pants seam line on the pattern with the fabric seam line.

Step 3:

Insert a piece of fabric transfer paper between the fabric (on the right side) and mark the position of the eyes, nose and mouth from the wrong side of the fabric.

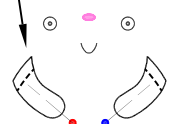

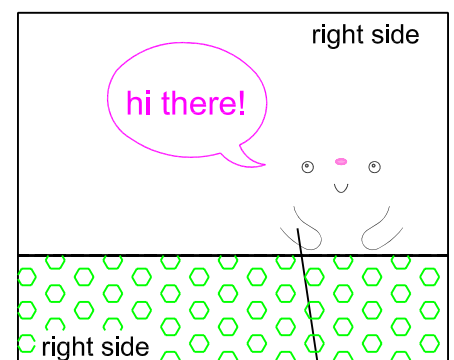

Also transfer the arm outline for placement or as a guide for embroidering.

Step 4:

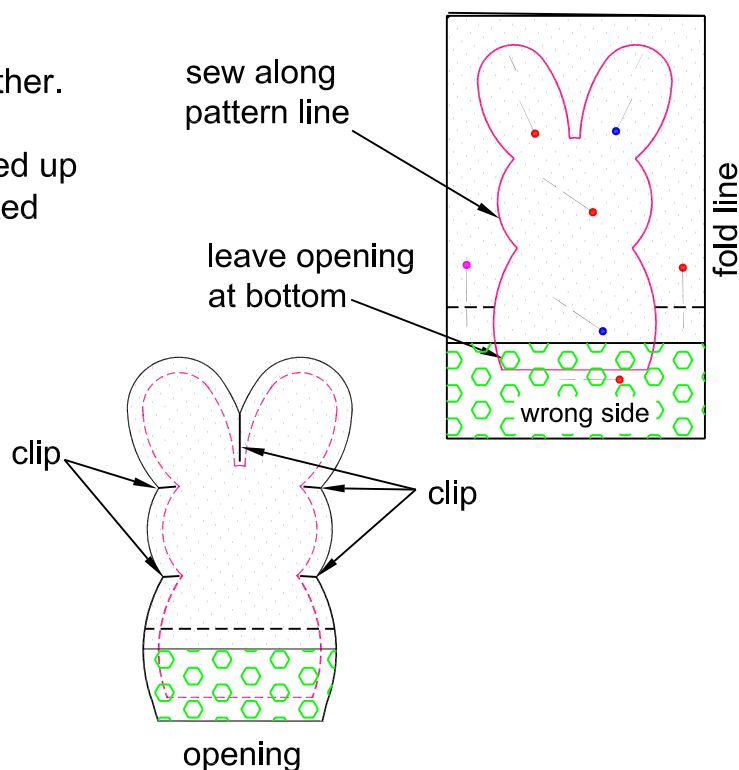

Open fabric to right side and sew face on with floss, buttons, etc. Arms can also be embroidered with floss at this step.

If you choose to use felt arms, trace arm pattern onto felt, cut out and align the felt arms with the marked arm position on the fabric. Pin or baste arms in place on the right side of fabric.

Step 5:

Fold fabric again with the right sides together. Pin together, making sure that the seam between the solid and printed fabric is lined up between both layers. Sew along the marked pattern line. Leave opening at bottom.

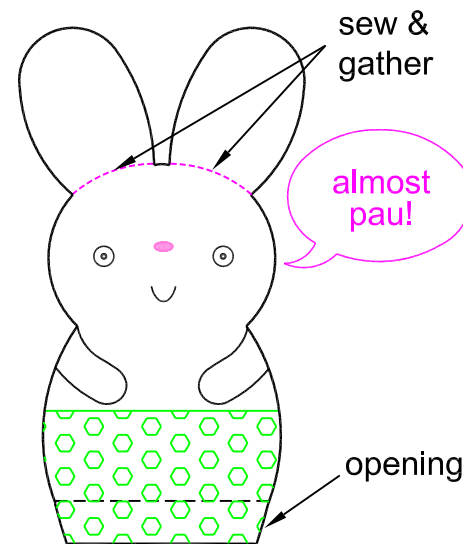

Step 6:

Trim away the fabric, but leave at least 1/4" on the bottom opening. Also clip (close to seam) as shown. Clip along curves as desired.

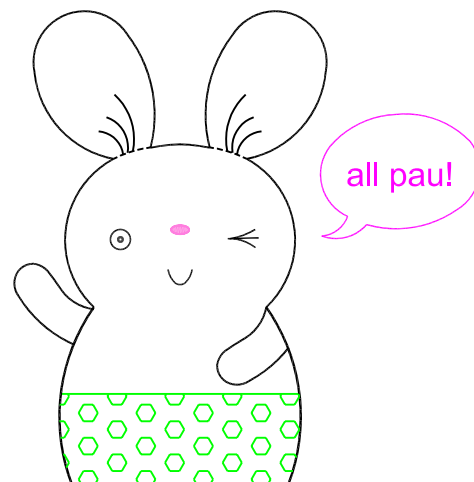

Step 7:

Turn right sides out and flatten into shape. Using a running stitch and two strands of thread, sew across the ears (on the right side of fabric) as indicated. Make sure that you go entirely through the two layers of fabric.

After sewing along the line through the first ear, pull the thread to gather the ear and secure with a knot. Repeat with second ear.

Step 8:

Stuff the head and body and sew the opening closed with a blindstitch. Sew felt tail on backside for kitty or a circle of felt or pompom for rabbit.

CHIBI KITTY AND RABBIT

I hope you enjoy making these guys. Please make as many as you want as long as you do not sell any dolls made from this pattern. Mahalo!
